Council Considers Petition

A petition signed by 121 Daly City residents, protesting the "proposed re-zoning of Junipero Serra boulevard from residential to light industry," was read to a crowded council chamber Monday night, when council members met there in regular session.

Stating that they understood that the proposed rezoning was to allow for the establishment of a building materials business on Junipero Serra, the petition claimed that a former building materials yard had been a source of annoyance to residential owners there.

The city clerk then read a communication from the Balboa Building Materials company, who have petitioned the city for a permit for the establishment of a \$25,000 store and yard on Junipero Serra between Knowles and Vista Grande. The company stated that their business would mean an annual payroll in excess of \$25,000.

Actors Needed For New Comedy

There are yet a few parts to be filled in the cast of "Why Wives Worry," a sophisticated three-act comedy now in production at the Little Theater in the Jefferson Union high school, announces Miss Marie Burton, dramatic instructor for the WPA Recreation department.

"Why Wives Worry" is a fast-moving, sparkling comedy, says Miss Burton, and calls for better interpretation and acting ability than the previous productions.

Anyone interested in dramatics is invited to meet with the Community Players at the Little Theater, Tuesday and Thursday evenings, at 7 p. m.

Gale Sweeps Daly City

The worst gale since 1937 swept out of the stormy Pacific Sunday to lash Daly City into a welter of broken fences, shattered windows and tangled wires. With light and power service disrupted for as long as 12 hours at a time in some sections of the city, high tension wires down, and cans, boards and signs flying through the air, local residents were given a taste of a real hurricane.

Chief damage of the storm, which raged from late Saturday night until late Sunday, was the wrecking of a \$600 roof on Water Reservoir No. 2. Although it was anchored by bolts to solid cement, nearly one-half of the roof was completely blown away, according to A. J. Bodien, water superintendent. Huge timbers weighing seven or eight hundred pounds were hurled as far as three city blocks; and the velocity of the wind on the hill was of such force as to knock persons to the ground. Water department employees worked feverishly all day Sunday to overcome the effects of the storm.

High tension wires of 5000 volts, down for three blocks along Hillcrest drive, and at Crocker and Bellevue, disrupted the fire alarm system early Sunday morning and set off the alarm which sounded like a repeated disaster call. The fire alarm system was shut off to prevent more serious damage, and Fire Chief Andrew P. Chesney stationed a fireman at each fire house to stand by in case an alarm should come in.

The water pumping plant was also shut down most of Sunday for fear of burning out the motors.

While city employees wrestled valiantly with emergency problems, local citizens also suffered their own tribulations and trials.

STICK-UP ARTIST GRABS MONEY BAG

Employee at Signal Coffee Shop Describes Stranger

A daring daylight robbery, committed at the very doors of the local Bank of America, Monday morning, cost a Daly City coffee shop approximately \$200 in silver and currency.

Miss Opal Duckett, an employee of the Signal Coffee Shop, 6298 Mission street, was crossing San Jose toward the bank, at approximately 10:15 a. m., with a small bag containing the money in her hand, when a gun was suddenly thrust into her ribs.

"This is a stick-up," muttered a pock-marked stranger. He grabbed the money and fled down San Jose before the waitress had time to scream.

Turning to run into the bank for help, Miss Duckett stumbled on the curb and fell. She was helped into the bank, where she told her story to excited patrons, who in turn notified Chief of Police A. L. Hilton.

By that time the thief had disappeared. Exact description of the man was not available, since the street happened to be nearly deserted at the time of the robbery.

music and specialty numbers, the youngsters will each receive gifts of candy and fruit.

The Christmas theater party committee met in the council chambers of the city hall, Friday night, to make final arrangements for the children's party at the Daly City theater, December 18. The doors open at 1:45 and the show starts at 2 p. m.

Admission tickets will be distributed through the public and parochial schools, as a means of identification for Daly City children.

Daly City clubwomen are contacting every merchant for contributions to help make the party a success. Donations received to date are from Fathers' Forum, Veteran Firemen's Association, D. C. Fire Department, Woodrow Wilson PTA, Ladies Auxiliary American Legion, Catholic Daughters, Women's Civic Club, Three Royal Neighbors.

Members of the Fire department, Police department and civic clubs will be on hand to act as ushers and see that the children are properly seated. The Women's Civic club will present children with candy and fruit, as they leave the theater after the show.

The specially prepared program will include Miss Inez Horn's children's band and Spanish unit, Lembi's Indians of Rhythm, and a full length western film, "Terror of Tiny Town," featuring Jed Buell's midgets. "Terror of Tiny Town" has been shown only once in the Bay area, but has received acclaim from critics up and down the coast. In true western manner it has cattle rustlers, villains, sheriff, cowboys and cowgirls, (with Shetland ponies for mounts) hero and heroine; and right triumphs over wrong in the end. Five lively tunes are sung in the show.

Among Nobel Prize Winners; Nazis Must Refuse

These scientists are among winners of the 1940 Nobel prizes which were awarded Sunday by King Gustav in Stockholm, Sweden. Each prize approximates \$40,000. Left to right, Eemil Sillanpaa of Finland, winner of the literature prize; Dr. Ernest Orlando Lawrence of California, physics; Gerhard Domagk of Germany, physiological medicine; Leopold Ruzicka of Switzerland, who shared the chemistry prize with Professor Bugenandt of Berlin. Because of a German ban on Nobel prizes, both Domagk and Bugenandt must refuse them, as must Professor Richard Kuhn of Berlin, who was awarded last year's chemistry prize.

Cotton Farmers Vote on 1941 Marketing Quotas

Farmers throughout the cotton belt voted Saturday on the proposal of Secretary of Agriculture Henry Wallace, inset, to establish marketing quotas for the 1940 season. A quota of about 12,000,000 bales was proclaimed September 15 when indicated supplies reached 140 per cent of normal. The quota requires approval of two-thirds of the eligible cotton growers. The 1939 quota, which was the same as 1940's, was approved by 84.1 per cent of the producers.

Big Building Gain Noted in Daly City

The Peninsula took formal notice of Daly City's amazing growth during the past year with the publication last week of the following article in The Burlingame Advance:

"With building permit values averaging 11 per cent more per month in 1939 than in 1938, Daly City is becoming increasingly popular with those home seekers who desire quick, easy access to downtown San Francisco.

"According to Mayor Paul Selmi, much of the 1939 increase in home building must be ascribed to the consistent promotional efforts of San Francisco Peninsula, Inc.

"This advertising has put the spotlight on Daly City and the Peninsula," states Selmi. "With the inauguration of the new bus line to San Francisco, Daly City should continue its record of sound, consistent progress."

LETTER

Dear Editor:

Daly City has a new street cleaner, but the debris is still being dumped at the intersection of Citrus and Niantic, where it is left for several days before it is loaded into a truck and hauled to its final destination.

This dump is a very unsightly spot (a very poor adjunct to the otherwise attractive little park, and during these "several days" much of the refuse is again scattered about the streets of this section of town.

Surely it is possible to do this job in a more sanitary and efficient way, and a plan to accomplish this would unquestionably be welcomed by the neighboring residents.

Very truly yours,
Mr. and Mrs. P. A. Boyle,
400 Willits street.

Increase Here In Population

An increase of 23 per cent in San Mateo county's population during the last ten years was estimated today from a report made public by California Taxpayers' association. It is estimated that a gain of 17,595 persons has been made over the 77,405 shown by the 1930 census, bringing the total population of the county at January, 1940, to 95,000 persons.

Population of California is estimated at 7,100,000, an increase of 1,400,000 since the 1930 census. This is an increase for the state as a whole of 25 per cent during the 1930-1940 decade, according to the association's estimates.

Eleventh Installment

History of Fire Dept.

(Editor's Note: This is the eleventh installment of an informal history of the Daly City Fire department, dedicated to "those who serve—not for personal gain—but for the welfare of all.")

Through the cooperation of William J. C. Goldkuhl, E. W. Goldkuhl sr., and Edward W. Goldkuhl jr., authors, and the Daly City Record this interesting story is made available to the general public.)

In 1920 H. Sunderman was Chief of the Daly City Fire Department. During this year, most of the buildings were completed for the housing of the various fire companies. The financial set-up of the individual companies had improved greatly. Most of them now were in very good financial shape, through the efforts of the members, the Womens Auxiliary and numerous benefits. The members themselves also assisted in a great many of the departments in order to increase their financial status.

In 1921 J. J. Kennedy was elected Fire Chief of the Daly City Fire Department; Mr. F. Hansen was elected Assistant Chief; H. W. A. Rickman was appointed Fire Marshal and Commissioner Nelson was appointed Chairman of the Board of Fire Commissioners.

During the year 1921, something new was started in the department. The first fire department paper called "The Alarm" was published. The paper's board of publishers included: Frank Williams, chairman; Charles M. S. Shoup, secretary; Edward Ford, treasurer; F. U. Schmidt, editor; Gust Shank and E. De Martini, associate editors; F. Peterson and Alfred Romer, trustees. The initial issue met with great success among the members of the department.

Also in 1921, the City decided to install the taper system of fire alarm. City engineers proposed an outline for the plans and specifications necessary for the proposed alarm system.

In November of 1921, it was reported from Company Number 5 through Commissioner Rodenberg that for the benefit of the district some sort of paved streets should be put in on Bellevue and Frankford streets. It was estimated that for six thousand dollars, rolled rock roads and better water facilities could be obtained. Citizens in the west end were wholeheartedly behind this proposal, and, in the course of the next month, this action was taken by the trustees of Daly City.

A typical quotation from the minutes of December 1921 for the Daly City Fire Department reads, "Moved and seconded that the Ford Club of the Daly City Fire Department turn over their treasury, \$38.45, to the "Alarm" to be used in sending a Santa Claus around to the needy homes in Daly City.

Eight Receive Citizenship Papers

Daly City and Colma boasted eight new citizens today, "graduates" of a naturalization class examined in Superior Court in Redwood City during the last two weeks.

The new United States citizens include, from Daly City, Aldo B. Armando and Arturo Silvestri, both natives of Italy; Garine Barberian, Armenia, and Violet Sutherland, Ontario.

In Colma, papers were given to Maria T. Ciproso, and Gio B. Andreveno, both natives of Italy, and to Carl von Metnitz, Germany.

FRIENDSHIP TREE

Back row, left to right: Al Holt, Ruth Morris; Mr. James Ferguson, principal of Jefferson Union high school; Wally Schaerr, John Razzari, Pete Filios, Roy Guisti, Elaine Hanson, and Miss Marian Cavassa, South City student body advisor.

Putting the tree in place is Angelo Galli, South City student body vice-president; Charles Yonan, Betty Morris and Lillian Dezell. In the center row are Marian Sheridan and Charles Razzari. Genevieve Price and Louis Galli, presidents of Jefferson and South City student bodies are not shown.

Students Plant Friendship Tree

Officers of Jefferson Union and South San Francisco high schools officiated at a tree planting ceremony at Jefferson Union high school, last Tuesday.

The tree, an English holly, was presented by the students of South San Francisco high school to the students of Jefferson as a token of everlasting friendship. It was planted in front of the gymnasium.

Four students, two from each school, lifted the tree into place. Genevieve Price, Jefferson student body president and Louis Galli, president of South City student body, together, put in the first shovelful of earth.

Louis Galli, in presenting the tree, said that the students he represented hoped that the friendship between the two schools would grow through the years.

James Ferguson, principal of Jefferson Union high school, represented the faculty of Jefferson; Miss Marian Cavassa, student body advisor, represented the faculty of South San Francisco high school, at the ceremony.

Woodrow Wilson Utilizes Radio

Realizing that radio in education is as important as the use of textbooks and recitations in classroom procedure, Woodrow Wilson elementary school has acquired a microphone, purchased by the student body, which will be used with a modern radio equipped for broadcasts.

Using the microphone and radio will create a greater desire on the part of students to participate in classroom recitation, it is believed.

The first radio program was a correlated literature and audience reading of "Great Stone Face," presented to the seventh grade by the eighth grade. Mrs. M. Lewis prepared the program.

Friday, 1 p. m., the seventh grade, with Mrs. Lewis in charge, will present to an outdoor assembly, Dicken's "Christmas Carol."

COUNCIL

(Continued from Page 1)

to Daly City, and offered to post a performance bond as guarantee that there would be no dust, obnoxious odors or sights in connection with the operation of their business, which they claimed was modern in every detail.

Following a general discussion, the council unanimously voted to lay the petition over for further consideration. This was followed by a motion, passed unanimously, that the council go on record as being opposed to light industry on Junipero Serra boulevard.

Monday night also saw the unanimous approval of a proposed Street Project Number 9, which calls for the application of major streets gas money to the extent of \$680, for street work in Daly City. The project calls for construction on Hanover, between Crocker and the boundary; Templeton from Alexander half-way to Crocker; and on Crocker from the county line to the turn on the road to Reservoir No. 2. The project also calls for the installation of cat eyes on the safety zones on Mission street between the county line and the top of the hill.

The council also went on record Monday evening as agreeing to cooperate with the Recreation department to insure the success of the children's Christmas party, Monday afternoon.

Bids for the dog pound were opened and laid over until next week.

Condemnation proceedings at

El Carmelo Parlor Elects New Officers

Mrs. Pauline Quirolo was elected president of El Carmelo Parlor No. 181, Native Daughters of the Golden West, at the regular meeting of the group last Wednesday evening, in Masonic hall. Other new officers for the ensuing term were also elected.

Plans were completed for a children's Christmas tree party to be held at the next meeting. Members of the Veterans Welfare committee will make the annual Christmas visit to the Veterans at the Base hospital in Palo Alto, Sunday.

Following the meeting, a successful whist game was conducted, with Mrs. M. Steele earning high score, and Mrs. P. Gruber, San Bruno, winning the turkey.

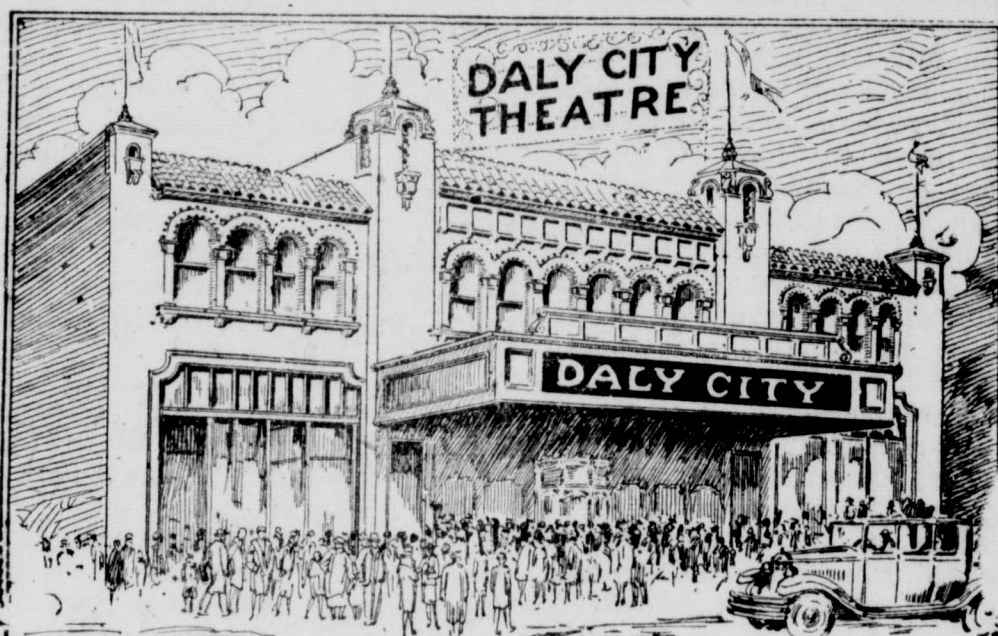

Members of El Carmelo drum corps enjoyed a skating party at Peninsula beach Thursday evening.

178 Edgemar were given a 30-day extension of time. Those at 47 Vendome were ordered continued.

A. J. Bodien, water superintendent, reported that the roof of Reservoir No. 2 had been badly damaged by Sunday's storm, and was requested by the council to secure informal bids on the construction of a new roof.

Sands of Time

Ten miles below Washington, N. C., there are hoofprints which have been there since one Sunday in 1813, when a horse ridden by a drunkard threw his rider. The old people of the community said it was a warning to stay sober and not to race horses on the Sabbath.

No Honking, Please

Horn honkers are on the spot in Spokane. Police Judge Frank Yuse has a distinct aversion to such practice. He fined C. L. Atkinson \$1 for each of three toots on his car horn and said Atkinson's desire to attract a friend's attention was no excuse.

Four-mile Endurance Event at Tanforan

Bummer Bill, an invader from Canada, looms as the latest threat for the Endurance Championship, the four mile classic which closes the Fall season at Tanforan, Saturday. This 6-year-old router, owned by W. J. Stokes of Vancouver, B. C., can run all day, so to speak. He vanquished the leading Canadian marathon stars at Dufferin Park, winning at two and a sixteenth miles, before coming here. He is also a steeplechase star.

With an attractive purse to spur competition in the four-mile pull, other horses scheduled to start include Malicious, Anhelation, Flashing Color, English Harry, Wrackfield, Arch Duke and Bon Amour. With such entries, the trip over the long course promises to assume new significance and stir wide attraction.

"Thunder Afloat" Tells Tale Of Courage at Sea

Epical story of courage at sea, adding a seldom-told chapter to the history of the United States Naval Reserve, "Thunder Afloat" brings Wallace Beery to the screen of the Daly City theatre tomorrow, amid some of the most thrilling action ever filmed.

Teamed with Chester Morris, as his rival throughout the story, and with Virginia Grey, as his daughter, Beery appears as a tugboat captain who joins the navy after a U-boat has sunk his beloved craft. The action-packed se-

Virginia Grey and Chester Morris in "Thunder Afloat"

quences in which the principals participate include the raiding and sinking of the tug and its string of barges, the torpedoing of a lightship, and the attempted ramming of the U-boat by a Gloucester schooner which is sunk by gunfire.

Scenes were shot at sea off the Atlantic coast with the remnant of the subchaser fleet of World War days, and off the Coronado islands on the West coast, with the United States submarine Sturgeon.

Companion feature on the new bill is "Here I Am a Stranger," starring Richard Greene and Brenda Joyce.

"Old Maid" Held Over At Daly City Theatre

Because of discontinued power service due to the storm, which made it impossible for the Daly City theatre to present their usual matinee and evening program, Sunday, "The Old Maid," starring Bette Davis, Miriam Hopkins and George Brent, will be held over an extra day and will be shown this evening in the place of the program formerly scheduled. "The Old Maid" is hailed as Bette Davis's best and most gripping characterization.

Also on the same bill are Edward G. Robinson and Ruth Hussey in "Blackmail," with Gene Lockhart turning in one of the outstanding supporting roles of the year. "Blackmail" is packed with dramatic incidents and the oil well fire fighting scenes hold a dozen thrills a minute.

County Red Cross Offers Free Nursing

Public Health nursing, one of the major services of the American Red Cross, has become an important part of San Mateo county Red Cross chapter's program, according to the summary of the chapter's activities during the past year.

During the year, 6,320 visits were made by the visiting nurses, an increase of 2,080 over the previous year, and 3,835 of these were free calls. Maternity visits, having to do with the health of mothers and infants, accounted for 1,493 of the visits.

In Daly City, the chapter paid the salary of a doctor for the Well-Baby clinic, Mission and Flournoy, at which 460 examinations were made.
